

# BOAT LOGISTICS NOTICE

## 8mR World Championship in Enkhuizen, the Netherlands 28 August – 4 September 2021

25 March 2021

**Advance Note:** *The Royal Netherlands Yacht Club and the Organization Committee of the 8mR World Cup 2021 warmly welcomes all 8mR sailors to Holland this August, however all preparations are made under the necessary reservations of the current COVID-19 laws and regulations. With the consent of the IEMA Executive Committee, all Parties have agreed to set the final go/no go date latest on 5 June 2021. It is advised that participants making their preparations and bookings under strict condition of “no charges or fees are due when cancelled before 15 June 2021”.*

Dear Eight Metre Sailors,

It is with great pleasure to inform you that Mr. Arjen Conijn, CEO of **CONTEST YACHTS** in Medemblik, has confirmed their sponsorship to the 8mR World Championship 2021 by making their professional yard fully available for the handling of our precious yachts. This includes lifting of boats at the end of the regatta during the *weekend* of 4 and 5 September 2021.

Furthermore, the company **RAKE RIGGING**, located on the same premises as Contest Yachts, is very pleased to provide full assistance with all rigging issues like (un)stepping the mast.

*Notice: unless otherwise agreed in writing, boat owners shall arrange for having an authorized representative present during the boat launching and mast stepping, as well as for de-rigging/unstepping the mast and lifting the boat on the trailer.*

As stipulated in the Notice of Race art. 4.2, the complete Launching Package included in the Entry Fee, consist out of:

**Free Period:** Arrival: from Monday 16<sup>th</sup> August 2021  
Departure: latest on Tuesday 7<sup>th</sup> September 2021

**Parking:** Ample parking space for your cars, trailers and trucks, RIBS etc.  
Secure and safe, behind gates.

**Launching & Lifting Package:** -Lifting the rig from the boat / trailer  
-Launching the boat into the water (40 ton travel lift)  
-Stepping the mast (separate Mast crane)  
-Water Berth available within the “free period”

After WC racing (4-5-6 Sept.)

- Unstepping the mast / rig
- Lifting the boat
- high pressure wash underwater ship (with representative's assistance)
- Hauling boat & mast on the trailer

**TOWING assistance:** The OC and Contest will cooperate with RIB / Support boats to get you out of the Contest marina on to the IJsselmeer. The same counts for after the regatta, to assist in getting you safely back to the Contest marina.

**PLEASE MAKE YOUR BOOKING with:**
